TOPCRET
The Experts' Choice

Clay Reimagined. For Every Wall.

Stronger than traditional clay, waterproof, and VOCs-free, Clay® adapts to every surface through two technical systems: Wall and Hydro +. From breathable interiors to waterproof finishes for wet areas. One Product, Two High-Performance Systems.

Natural Beauty. Reinvented for Modern Living.

With a broad palette of contemporary and earthy tones, Clay® offers designers the freedom to create unique environments across residential, commercial, and wellness spaces — all while delivering the performance and durability Topcret is known for.
